I make a fair number of these little gifts using online services I thought I'd share my experiences with four publishing sites that I've successfully used for creating photo books: and for straightforward photo items; for a text-heavy book; and for the cooing, diapered crowd.. Make a personal addition to your bookshelf Josh Miller/CNET You know what I miss? Photo albums.. I miss flipping through their pages to rediscover memories, and slotting in new pictures.. Ship books to your home or pick them up in-store (A November 2014 survey by self-publishing site Shutterfly) That's why, for me, a photo book or calendar or heck, even a mug customized with someone's mug on it, makes the perfect gift, a way to hold on to those memories just a little bit longer.. (Mac users can also create books using) Just a note that since I first published this piece, some prices have gone up.
